EXCLUSIVE WEBINAR via ZOOM Meeting

EXCLUSIVE WEBINAR

Course Overview

This premium course gives the individual a comprehensive knowledge of presentation content design and planning.

Touching on many core concepts and slide ideas to groom the individual to become a better and confident presenter, through ensuring the right message is being crafted into every presentation slide.

The workshop included analytic thinking at all stages.

Meet the Expert

With more than 25 years in the corporate world. His flagship “Amazing Sticky Presentations” workshops cater to corporate executives who have critical messages to deliver to clients, their senior management or business partners. This unique concept was created from his experience and expertise as a designer and marketer to meet the needs of today’s fast paced and impatient world.

He has 8 years working at Apple, 10 years regional marketing in the supply chain industry, and another couple of years in retail and training gave him the industry knowledge and experience to create something that can be greatly enhanced with technology and yet requires the application of marketing, communication, and design.

Key Learning Outcomes

- Be inspired to design better presentation slides and be a better presenter.
- Be more confident when you present knowing that the right content is crafted into your presentation slides.
- Be able to create visually exciting presentation that will keep your audience engaged.
- Have an ability to look at presentation content from a new perspective to visually plan and develop result oriented-slides for any presentation.
- See how others in the industry are also using S.P.Y. achieve clarity in their presentations.
